

Great visit. He basically said it's an appt you be happy with. I asked about salary range. He said he needed to talk to you. I would need to try to get as close to 200 as possible to afford it. Not sure what the ranges are.

I will chat with him on numbers. A lot of it is outside our control. The folks who are hired literally submit a professional history of experience and salaries, and then someone reviews from some oversight perspective and provides a range, as I understand. It has been a challenge for Ryan. I am quite sure it would be a healthy number, but I am not that privy to how it works. I just know it's cumbersome. Whether it would get to 200k is unknown.
